Student Info

Name: KEERTHANA K

Register No: 24131210500122020

NMID: asanm121anm12124213020
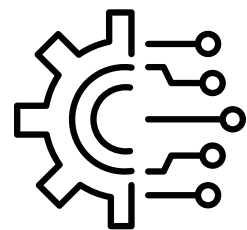

Department: BCA

College: Immaculate College for Women

University: Annamalai University

Project Title

Student Portfolio

Innovating the Future: Tech Startup Journey

Agenda

PROBLEM STATEMENT

- *Students often lack a structured way to showcase skills and projects*
- *Traditional resumes are static, non-interactive, and less engaging*
- *Need for a shareable digital portfolio highlighting academic and technical achievements*

PROJECT OVERVIEW

2

- An online portfolio platform for students
- Consolidates academic records, skills, certifications, and projects
- Designed for easy navigation and professional presentation
- Built to help recruiters and mentors evaluate profiles quickly

3 **End Users**

- *Recruiters – Quickly evaluate skills, projects, and certifications*
- *Mentors – Provide guidance based on a clear academic and technical profile*
- *Educators – Track student progress and showcase achievements*
- *Peers & Collaborators – Get inspired or connect for teamwork opportunities*

Tools and Technologies

- HTML & CSS – For creating a clean, structured, and responsive layout
- JavaScript – To add interactivity and dynamic elements
- Git & GitHub – For version control and project hosting
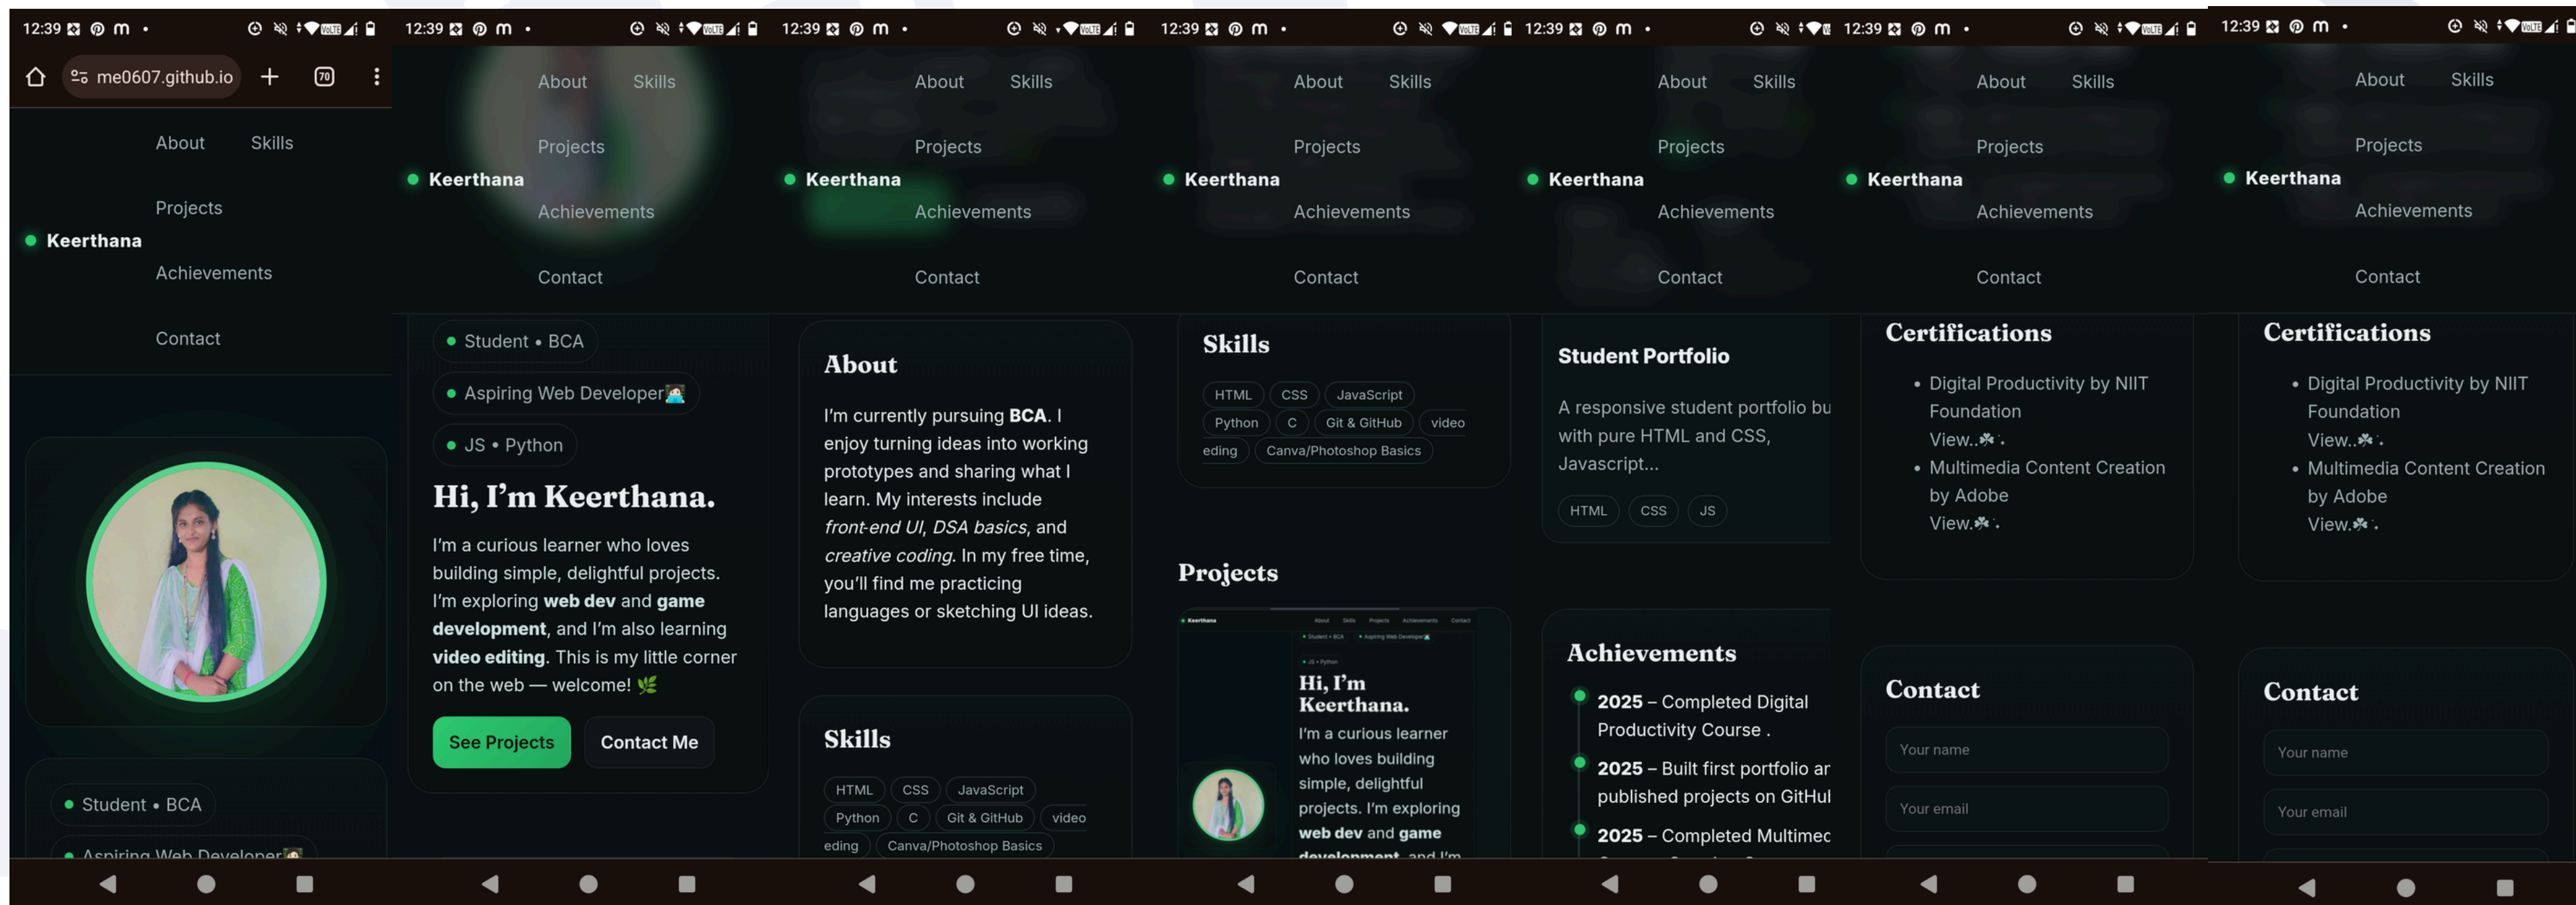

5

Portfolio design and Layout

- Dark theme with soft green accents for a modern, elegant feel
- Hero section with intro, profile photo, and quick links
- About & Skills side-by-side layout using tag-style chips
- Projects showcased in card layout with images and tech tags
- Timeline-style Achievements with clickable certificates
- Simple Contact form plus GitHub and Instagram links
- Responsive design works on desktop, tablet, and mobil

Features and Functionality

- Personalized intro with profile image, course, and career tags
- Skills section showing technical expertise at a glance
- Project showcase with descriptions, screenshots, and tech stack
- Achievements & certifications with clickable proof links
- Contact form & social links for easy outreach
- Responsive design works on all devices
- Dynamic elements (e.g., auto-updated footer, smooth navigation)

Results & Screenshot

Results & Screenshot

- Professional, responsive website showcasing profile and projects
- Clean navigation for easy viewing of different sections
- Functional contact form linked directly to email
- Certificates accessible through direct links
- Successfully deployed on GitHub

8

Conclusion

- Portfolio successfully showcases skills, projects, and achievements

- Responsive and accessible on all devices via GitHub Pages

- Professional design with intuitive navigation

- Demonstrates real-world application of HTML, CSS, JavaScript, and GitHub

- Strengthens personal branding and visibility for recruiters and mentors
